If you have purchased tickets in separate transactions, you can request to be seated together with your family and friends. There are two methods to achieve this:

At the time of purchase, you can enter the Ticket Purchase Number of your family member or friend on the Ticket Purchase Summary page, before finalizing the payment.

Whereas if you decide to add friends or family later, please complete the following steps:

- Log in to your FIFA ticketing account.
- Click on your name to reach your account homepage.
- Click "Ticket purchase history".
- Locate the ticket and click "SEE DETAILS".
- Enter your family or friends Ticket Purchase Number in the required field.

Please note:

- For the seating request to be valid, all tickets must be for the same match and in the same ticket category.
- FIFA Ticketing will make their best efforts to ensure all seating requests can be accommodated but cannot guarantee groups linked through Ticket Purchase Numbers will be seated together.

Once you have read and accepted the FIFA legal documents, please click "PROCEED TO PAYMENT" to buy your tickets.
