SANCTIONS AND BANS

When attending any football activity (for example but not limited to matches, training or coaching sessions) involving a Manchester City representative side and purchasing a ticket you must be aware of, and adhere to, the terms and conditions of sale, Ground Regulations and any applicable Code of Conduct. These can be found on the Club's official website.

Failure to make yourself aware of these conditions, and follow them at all times, may lead to a sanction being applied in line with the Club's official sanction process. The Club reserves the right to investigate incidents at any time that evidence is presented to them and will work with the Police and other authorities where a criminal act has taken place.

ADDITIONAL INFORMATION

- 01** The Club's Investigations Team will conduct an investigation following receipt of a formal complaint through Club Staff, through the Kick It Out app or the Club's discriminatory reporting text service, or Fan Support. The Investigations Team will investigate all complaints in line with the process shown in the Appendix: Investigation Process (page 24).
- 02** Examples of the factors which may be considered by the Investigation Team, Sanction and Appeal Panel when applying any sanction shall include but not be limited to any previous offence committed by the supporter, age of the supporter, multiple offences committed in one incident, safety risk to other individuals and intent. The Investigation Team, Sanction and Appeal Panel will also consider any reasonable mitigation offered by the supporter when deciding the level of sanction applicable.
- 03** The Club reserves the right to impose a temporary suspension of a supporter's Season Ticket and/or their ability to purchase match tickets and to cancel any match tickets already purchased (for matches at home, away or neutral stadia), during an investigation and/or prior to making any further decisions. In such circumstances the Club will communicate with the supporter in writing and will provide the facts and evidence it has based its decision on.
- 04** The Club may impose a sanction independent of any action/sanction applied by the police and/or other relevant authorities. The Club will proactively provide relevant information to the Police and/or other relevant authorities.
- 05** Any supporter issued with a sanction by the Club further to this sanction process and procedure shall not be entitled to any refunds unless the Club informs the relevant supporter otherwise.
- 06** All formal correspondence shall be provided to the supporter via post or email and sent to the details which are registered on the supporter's account.

We appreciate that no two incidents are the same. Our Investigations Team, Sanction and Appeal Panels will consider all available evidence when dealing with incidents and determining the length of a ban, if applicable. The table alongside indicates the type of penalties that may be issued against supporters. Please note this is intended as guidance only and we reserve the right to suspend a supporter's account whilst the investigation takes place.

Supporters are also advised that:

- Bans may carry over from one season to the next.
- The number of match bans apply to home matches only but restrictions apply to all matches (home and away) until the number of home match bans has been served.
- The Club reserve the right to uplift and/or apply additional sanctions not shown.

- Parents/Guardians will be held responsible for any offence committed by children under the age of 14 and may be subject to a sanction.
- All adults and children may be subject to a sanction.
- Supporters who breach any of these offences on non-matchdays towards staff (for example, in the City Store, in conversations with Fan Support, or Security/Stewards) the sanctions and bans procedure will be followed.
- Bans of greater than one year in length will result in revocation of a supporter's season ticket and membership with no option to renew. SUSTAINABILITY

Manchester City is dedicated to creating a sustainable environment and aims to achieve CO2 Net Zero by the end of the decade. Our goal is to make the Etihad Campus one of the country's most sustainable sports venues.

Key Initiatives:

- **Single-Use Plastics:** All single-use plastics have been removed from the stadium. We have reduced our waste output to ensure none goes to landfill, saving approximately 800,000 cups and 250,000 other items from waste.
- **Compostable Packaging:** We use only compostable packaging on matchdays. Food waste and grass cuttings are composted and used on landscape areas across the City Football Academy Campus, saving 180 tonnes of waste from being transferred off-site.

- **Local Sourcing:** About 70% of our food and drink are supplied by local producers, reducing food miles on matchdays.
- **Energy Efficiency:** LED lighting in the stadium is 55% more efficient, saving nearly 30 tonnes of CO2 annually. The underground 'Permavoid' system holds up to 500 cubic meters of water from rainfall, which is then reused to water the pitch.
- **Sustainable Transport:** We are developing practical travel and transport plans for the future.

Further information about the Club's sustainable efforts can be accessed here, please follow [this link](#).

COMMUNITY COMMITMENT

Manchester City is committed to being a considerate neighbour to the residents of East Manchester. We ask all visitors to:

- **Respect Local Property:** Carefully dispose of rubbish and use the toilets provided on the campus.
- **Adhere to Parking Regulations:** Follow the residents' parking scheme.
- **Minimise Disruption:** Be mindful of noise and disruption as you arrive and leave the campus

Local residents who wish to contact the Club can email mancity@mancity.com.
